

EPHRATAMOUNTS.COM PRESENTS THE THIRTEENTH ANNUAL
DODGEBALL TOURNAMENT

NOVEMBER 11TH-12TH AT THE EPHRATA SENIOR HIGH SCHOOL

WHAT DO I NEED TO DO?

You need to find (or be) a captain and create a team. Teams are comprised of 6 players, with the option to have a 7th player as a substitute. Only 6 players play at one time. You win your match by winning the best of 3 games. Next, you and your team members need to collect donations for your entrance fee.

HOW IS THE BRACKET DETERMINED?

You will be placed in a “pool”, where you will play against all the other teams in your pool. At the conclusion of the pool play, you will be seeded and placed into a single elimination playoff bracket.

IS THERE A “GIRLS ONLY” BRACKET?

No. Girls may form their own teams, or may join with a boys team to form a co-ed team. If enough “girls-only” teams are entered we will make a “girls-only” pool, but there will not be a separate girls only bracket.

WHAT ARE THE RULES?

Full rules will be provided when registration fee is handed in. Captains will be responsible for knowing and reviewing the rules with their team members.

HOW MUCH DOES IT COST?

There are three divisions, and each team is responsible for raising donations for JDRF:

Senior Division (High School Grades 9–12)

Junior Division (Middle School Grades 7–8)

Rookie Division (Middle School Grades 5–6)

Minimum donations for all three divisions is \$126 per team

WHERE DOES THE MONEY GO?

Proceeds from this event will be donated to the Juvenile Diabetes Research Foundation (JDRF).

WHAT DO I WIN?
